

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

March 17, 2000

H. Res. 182

Expressing the sense of the House of Representatives that the National Park Service should take full advantage of support services offered by the Department of Defense

As ordered reported by the House Committee on Resources on March 15, 2000

CBO estimates that passage of H. Res. 182 would have no impact on the federal budget because it does not authorize any change in federal spending. The resolution would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

H. Res. 182 would express the sense of the House of Representatives that the National Park Service should use services offered by the Department of Defense for maintenance and other projects within units of the National Park System.

The CBO staff contact is Deborah Reis. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
